## 2,000 square feet of modern research goodness.

We offer 5 distinct yet flexible spaces within our purpose-built loft space. We can easily customize them to meet most research needs including focus groups, mock trials and usability studies, as well as breakout and brainstorming sessions. Our kitchen is a working, residential-style kitchen that can accommodate food preparation, cooking and catering needs.

Room	Size	# of People	Ideal for:
Living Room	23' x 12'	Up to 12 people	Focus Groups, Breakout and Brainstorming Sessions
